Introducing "Growing in the Garden" Theme

Do you like to play in the dirt? Even as I'm writing this, I'm about to head to my backyard to trim some of the plants back in preparation for Spring. You see, there is something incredible about plant life. To watch something grow from a tiny seed into a full on, blossoming plant is incredible. But it does not happen without challenges along the way. For plants need water, sunlight, and carbon dioxide to make their food and grow. They must combat the bugs and the critters who come and chew on their leaves. They must be resilient for seasons of drought and seasons with an abundance of rain.

In many ways, our spiritual lives grow just like plants do. The more we grow, the more fruit we bear. Over the next 6 weeks, we are going to be examining how we dig our roots down and grow in order to bear fruit in the Kingdom. Together, we are all "Growing in the Garden".

It doesn't matter if you have a green thumb or if you consider yourself a "plant hospice worker" (helping to usher any plant on to the other side). Regardless, we all have room to dig our roots down deep and grow in Christ.

Are you ready to get your hands dirty?

Missions and Outreach

Altar Rail Offerings for the month of March are for UMCOR United Methodist Committee on Relief

UMCOR is a nonprofit global humanitarian aid and development organization of the United Methodist Church. It began in 1940.

UMCOR responds to disasters in the United States and around the world; providing essential relief supplies and supporting long-term rebuilding efforts.

UMCOR brings God's hope, healing and renewal to people whose lives have been disrupted by war, conflict or natural disaster.

The reality is that we are UMCOR! It is our praying, giving and going that makes up UMCOR!

As John Wesley would say:

"DO ALL THE GOOD YOU CAN, BY ALL THE MEANS YOU CAN, IN ALL THE WAYS YOU CAN, IN ALL THE PLACES YOU CAN, TO ALL THE PEOPLE YOU CAN, AS LONG EVER YOU CAN."

Blessings

A Message From Frank Stenbridge

A few weeks ago, the congregation was invited to write messages to the students in our congregations. I missed that opportunity, so I thought I would share my 2 bits of advice here.

A number of years ago, our daughter graduated from high school and moved away to college. At that time, I reflected on my own college years; the Good, the Bad, and the Ugly... just kidding, maybe... The parental expectations were clear. Grades were primary. That will be primary for students today. However...

I advised my daughter when she went to college that not everything she would learn would be in the classroom and perhaps the most important things would be learned outside of the classroom. I think that was true for me and might still be true for students today.

Studying and grades are still primary. Interacting with others with different backgrounds , managing your time, figuring out how to manage the autonomy you wished for when you lived at home, and a whole bunch more are the lessons that will prepare you for career, family, and, well, life. For me, a great part of that was attending seminars and Sunday mornings at the GT Wesley Foundation. Plus, occasional service projects with other students mixed in with piano and the GT soccer club.

I think the same principle can apply to church for young and old.

We can hear all the good preaching (and we do), inspiring music (ditto) , and thought provoking Sunday school lessons but until we head out beyond these church walls, the importance of this worship experience may not be evident. Here I am preaching to the choir, so to speak. The example and practice of ministry to the community outside the property lines is inspiring. May our children continue the mission.

Inman United Methodist Men

On February 15, 2023 we enjoyed good food, good fellowship and a productive meeting.

Thanks to Linda Wagner for stepping in at the last minute to cook the scrambled eggs.

At the meeting we voted to increase our designated Church maintenance fund from \$7452 to \$10,000.00. Our officers for 2023 will be Roger Ferrell, President and Ed Roehm, Treasurer.

The next big fundraising event we will be hosting is our traditional Easter breakfast on April 9th from 8:00 AM to 10:30 AM.

The next regular meeting will be on Wednesday, March 15 at 9:00 AM. A light breakfast will be served.

Trustees

Elevator Maintenance: Have you ever seen the bottom side of the elevator or wondered what's under the elevator? Every so often, debris and any hydraulic fluid that has collected at the bottom of the elevator mechanisms and shaft needs to be cleaned up and fresh hydraulic fluid needs to be added to the unit. It's not the easiest job to do, and we really appreciate Ed R. for taking care of that task this time!

Church Wide Workday, Saturday, April 1, from 9AM - 2PM: Come help get the church grounds and facilities cleaned up and spruced up for Easter! We've got projects inside and out that we can really use your help on. All ages and skill levels are welcome. We've got something for everyone. The Trustees will provide all the materials you need as well as lunch! Just bring a pair of work gloves and a willing spirit and we will have a successful day!

Grass Cutting Calendar: Spring is in the air and that means one thing - time to start cutting the grass again! The calendar has been posted in the administrative hall and you can start signing up anytime you're ready. If you have any questions or need help, please see Ed Roehm or Herm Janssen

Membership Care

Membership Care will be filling Easter baskets for the shut-ins in our church on March 28th in the Fellowship Hall at 10:30 a.m. All are invited to come and help with the baskets.
