

## *A Letter from the Pastor*

As I am packing boxes and preparing to move at the end of the month, I just want to share my gratitude with this congregation for the last five years. I realize I arrived here as a 26-year-old first-time pastor, green and unsure of how to lead. Over these years, y'all have taught me what it means to be a pastor and a leader. You have taught me the importance of loving first, of walking alongside people, of addressing conflict with grace, of laughter in the midst of labor, and so much more.

It has been my honor to walk with you through these years of ministry and life together. I am deeply grateful for the ways so many of you invited me into your lives: into your celebrations, your ordinary moments, and your heartbreaks. Thank you for trusting me to baptize your children, pray beside hospital beds, celebrate milestones, grieve losses, and gather around the Lord's table together. These moments have shaped me more than I can say.

I have also been continually inspired by this congregation's generosity, resilience, and deep care for one another. Time and again, I have seen you show up for each other with compassion, faithfulness, and love in ways that reflect Christ so beautifully.

While transitions are never easy, I leave with deep hope for the future of this congregation. I am excited for the gifts that Rev. Daniel Chung Ho Lee will bring to this church and for the ways you will welcome and love both him and his wife, Jinah. I know that God is continuing to do good and faithful work here.

Thank you for the grace you have shown me as I learned, stumbled, grew, and found my footing in ministry. I will carry this congregation with me always. May God continue to bless this church with courage, compassion, and deep joy in the years ahead.

Grace and Love,  
Pastor Whitney Hair
